SELECTED WORKS

JOHNNIE WALKER x JCT

Market Johnnie Walker Black Label as the ideal whiskey for highball cocktails, by communicating a youthful and modern upbeat tonality for those who value playful, unique and shareable moments.

HENNESSY X.O x JACKSON WANG

Jackson Wang, the longstanding ambassador for Hennessy, is here to communicate his “Odyssey” through life outside of work to being an international artist in the eyes of millions.

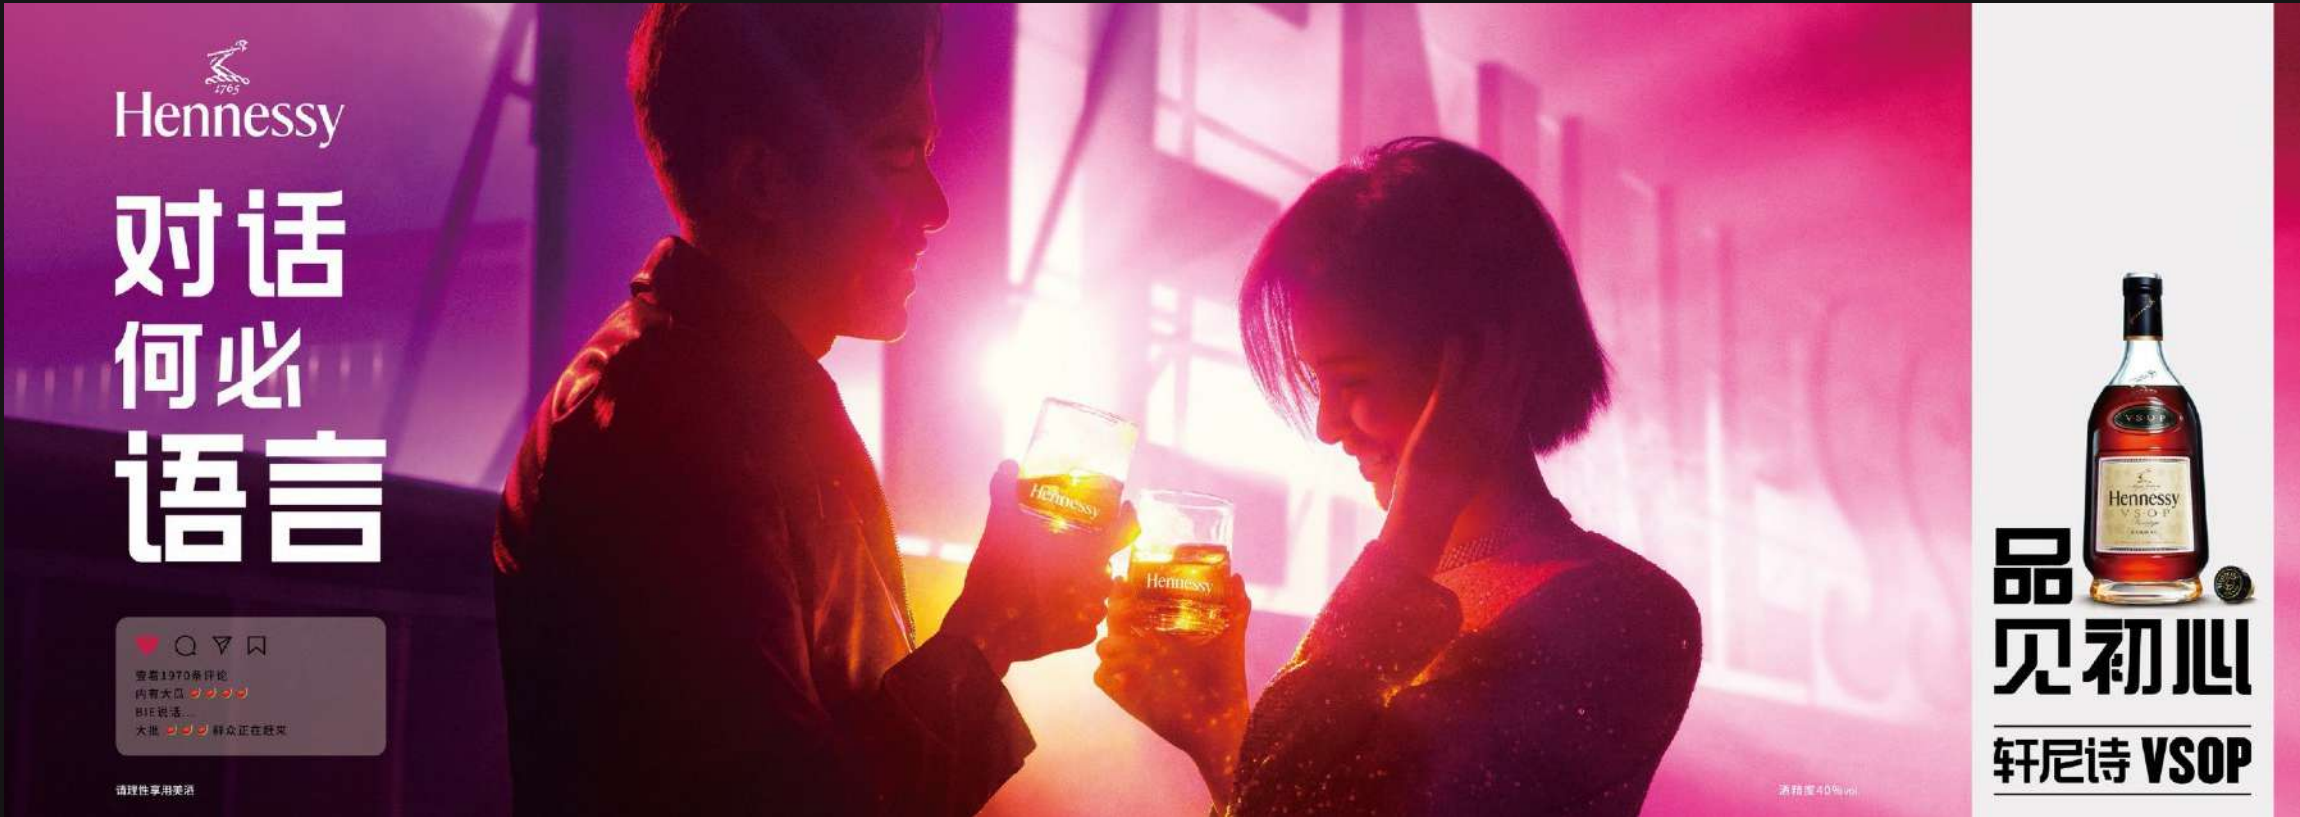

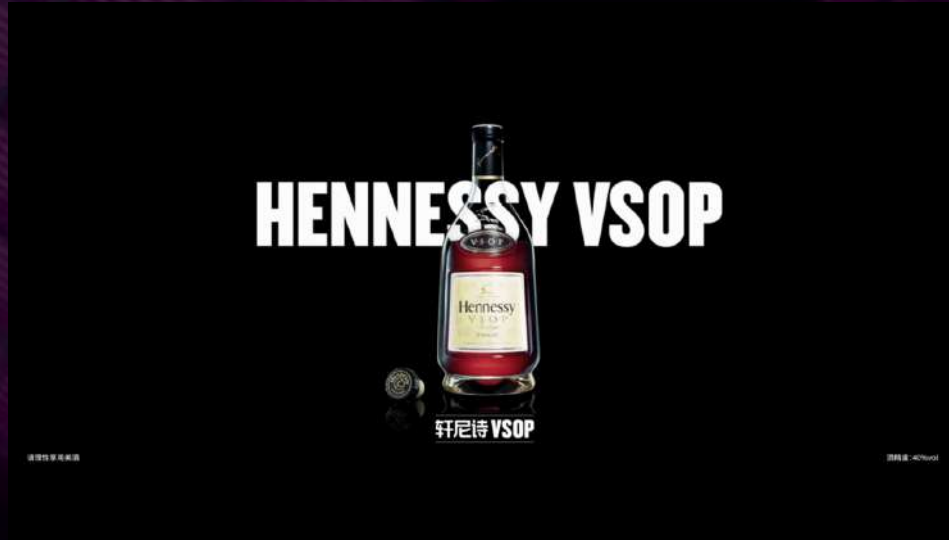

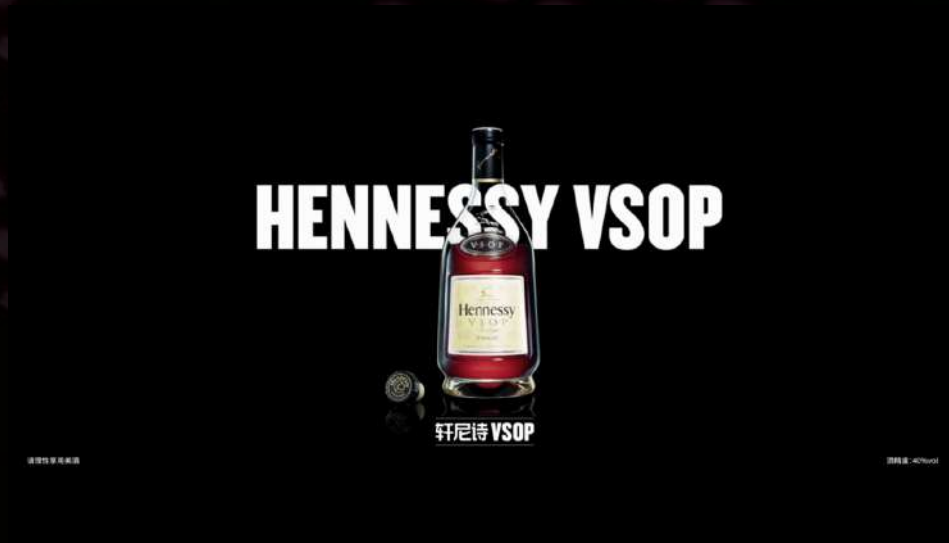

A man and a woman are shown in profile, facing each other and clinking their glasses of Hennessy cognac. The man is on the left, wearing a dark jacket, and the woman is on the right, wearing a dark top. They are both smiling. The background is a blurred city skyline at night, with warm, golden light reflecting off the cognac in their glasses. The overall mood is intimate and celebratory.

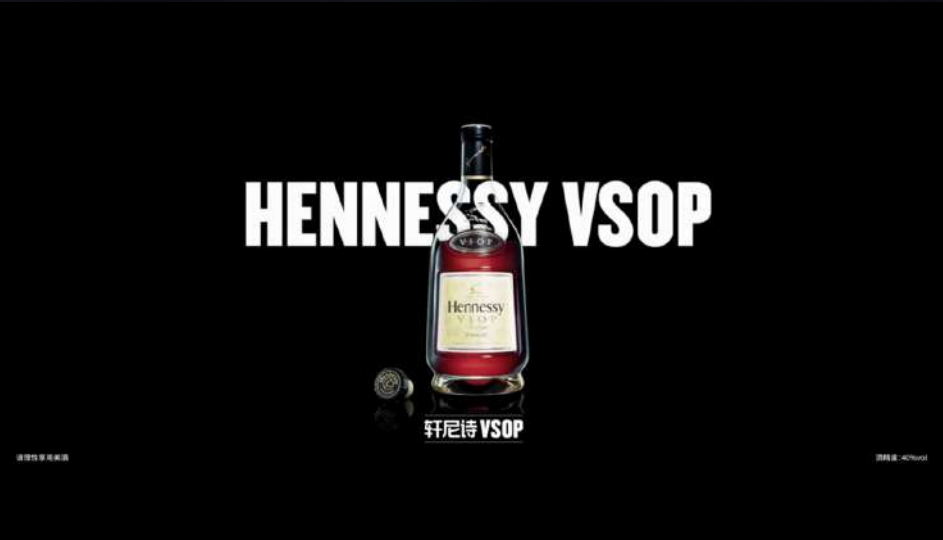

HENNESSY FIND WHAT MATTERS

Sometimes the most authentic moments in life are the ones least expected. They're spontaneous, playful and about being present, enjoying the company you're with and collecting the memories shared.

轩尼诗 VSOP

Chris Lee is not only a talented singer, but she is also considered a fashion icon, representing many notable fashion labels. This limited edition VSOP packaging is inspired by the many trendsetting looks of Chris Lee.

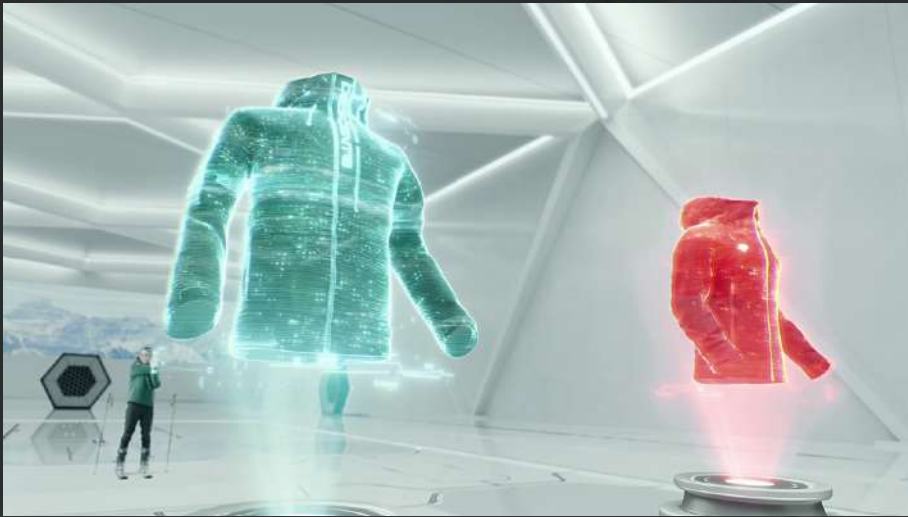

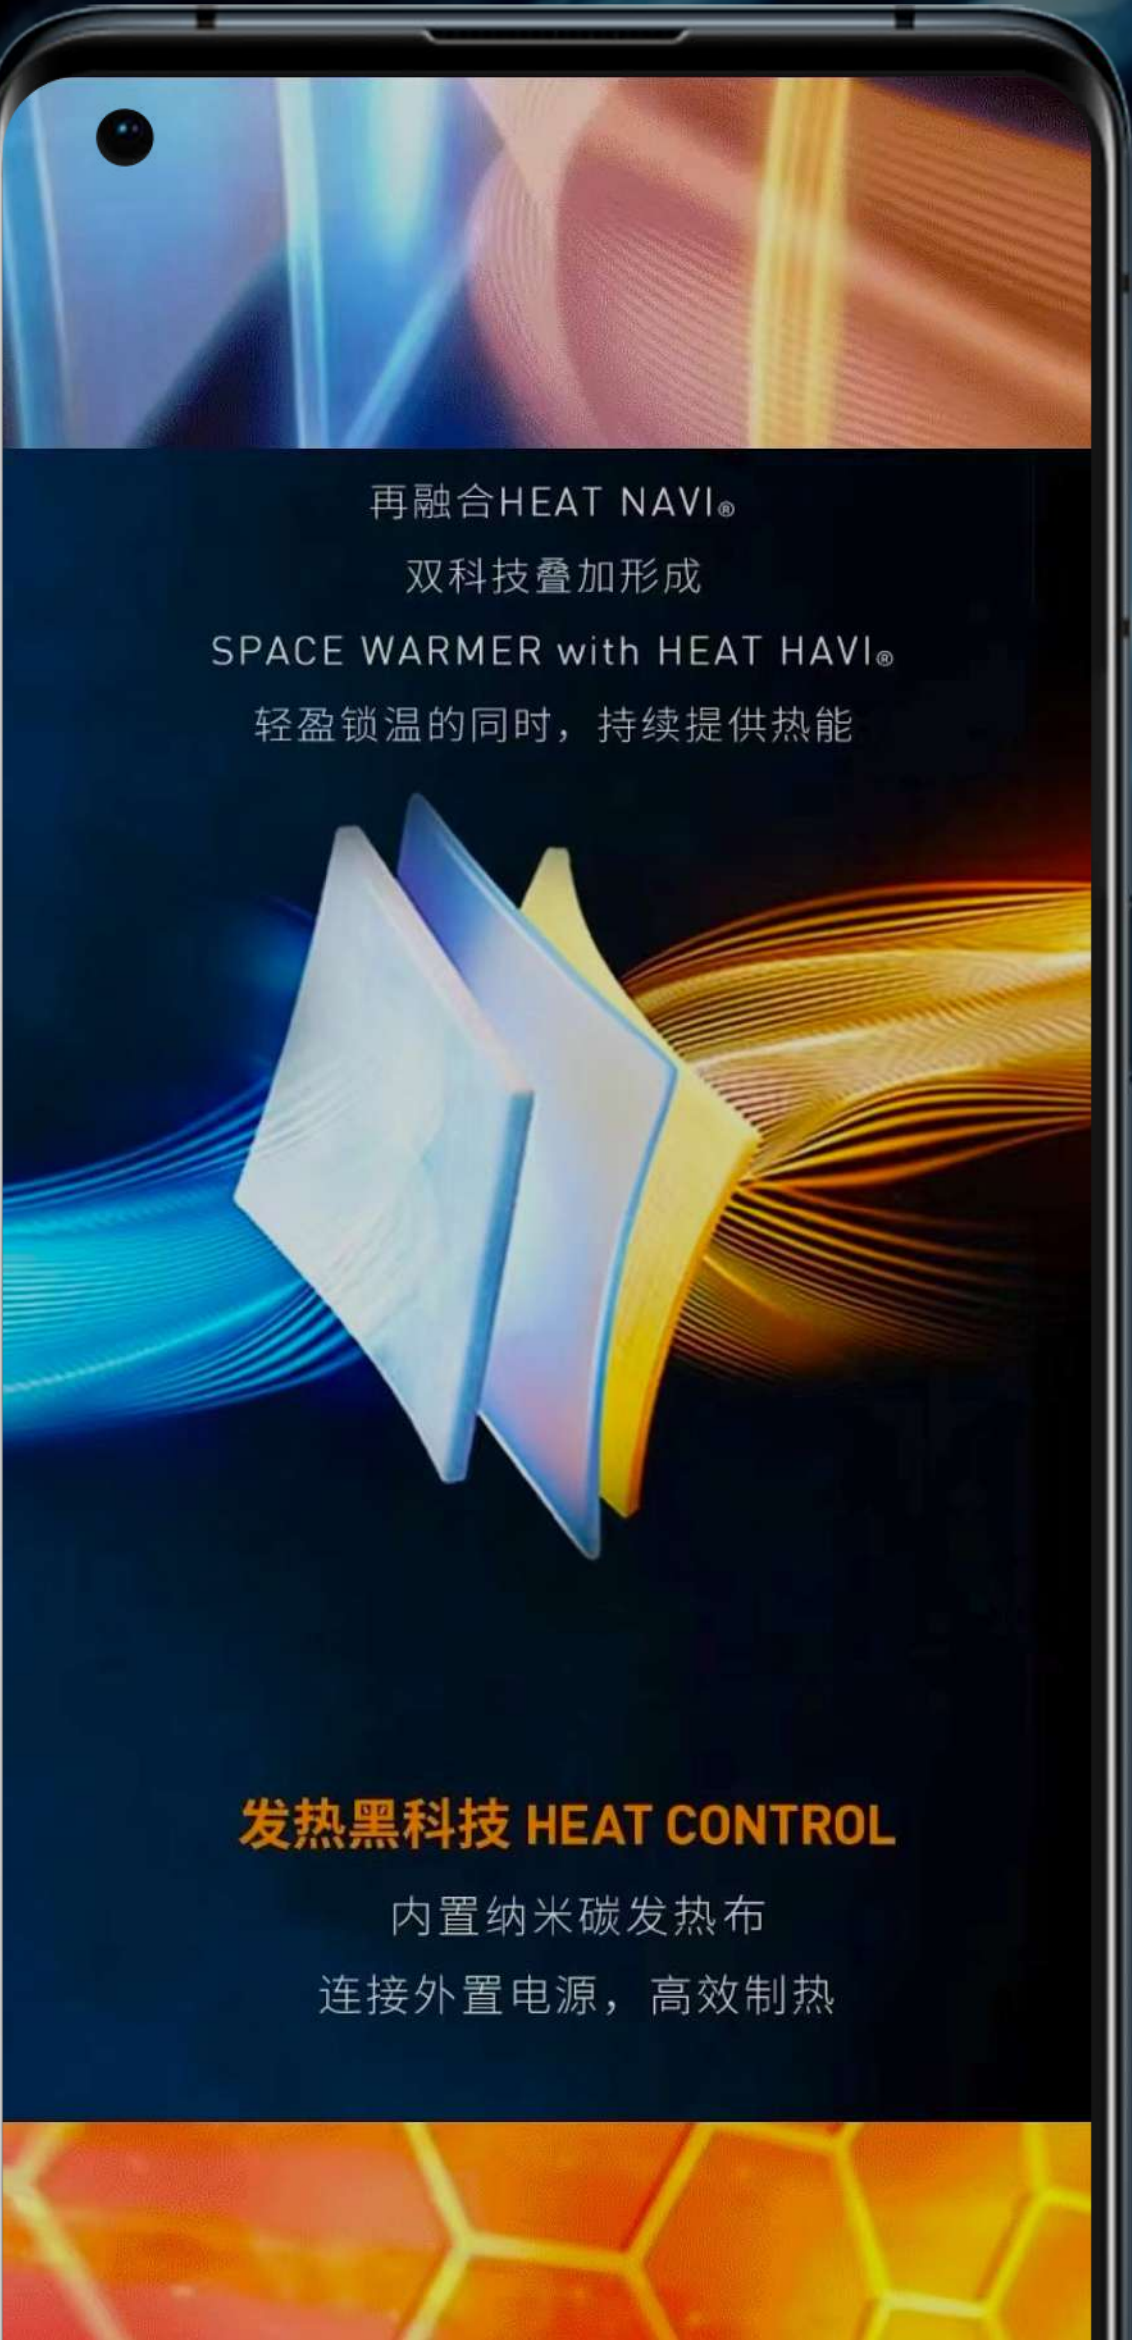

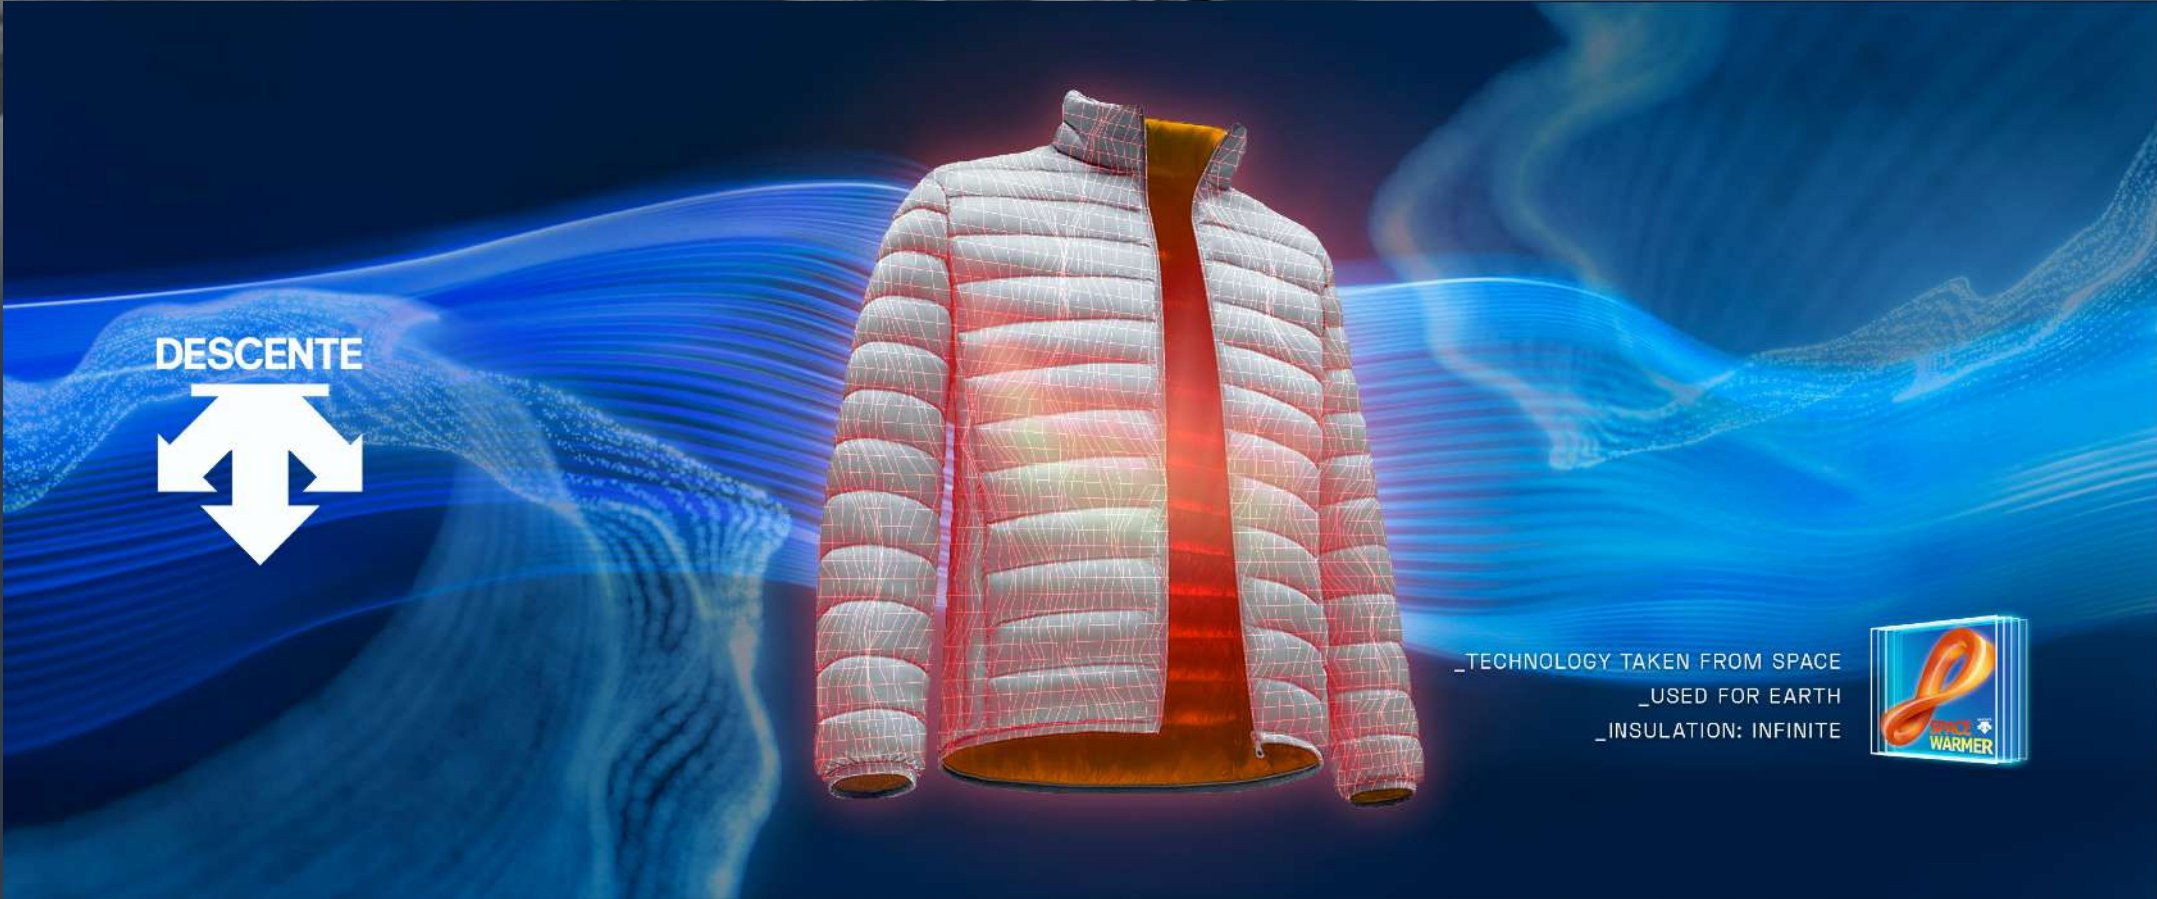

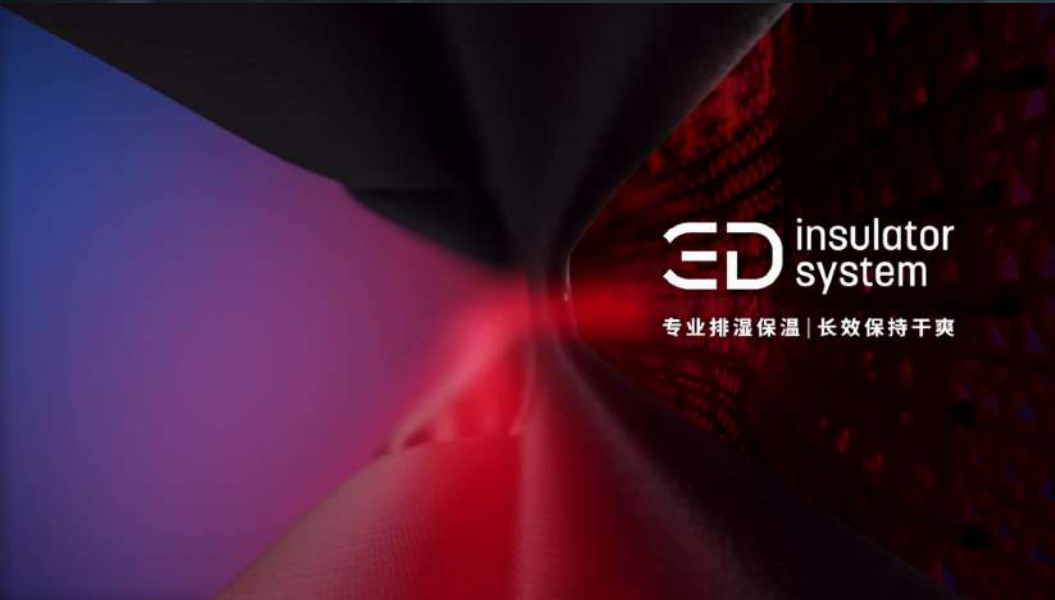

DESCENTE FALL / WINTER

Descente, makers of the best and technically advanced ski jackets for professional skiers, needed a film and campaign that communicated their next level fall / winter line of apparel. A planet that is completely engulfed in snow and ice will be the ultimate destination to put those ski jackets to test.

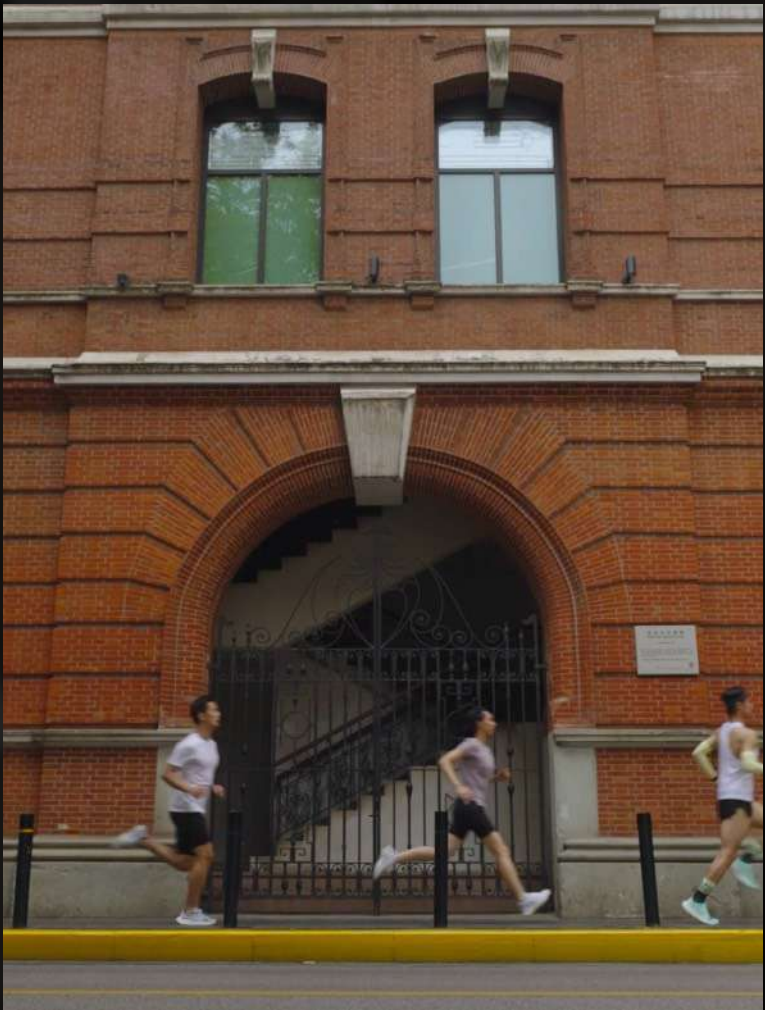

A low-angle, wide shot of three runners (two men and one woman) running on a red, curved rooftop track. The runner in the foreground is a man in a dark purple athletic outfit, captured mid-stride with his head tilted back. Behind him are a woman in a light green shirt and black leggings, and another man in a white shirt and dark shorts. The track is bordered by a white metal railing on the left and a glass railing on the right. In the background, a dense urban skyline with various high-rise buildings is visible under a bright blue sky with scattered white clouds. The scene is brightly lit, suggesting a sunny day.

DECATHLON SPRING / SUMMER

Decathlon wants everyone to “Keep On Running” and people to enjoy the carefree moments their lifestyle sneakers and products provide. The two short films capture the continuous momentum of running to the joyfulness of strolling through the city after a nice run.

Narrative:

**黑钻松露，餐桌上的稀世珍馐，美食皇冠上的珠宝
却鲜有人知，稀有而神秘的黑钻松露，同样蕴含着抵御岁月的年轻能量**

The black diamond truffle is most well known for its use in cuisine.
But something this rare and enchanting, also holds anti-aging properties.

**这将是一趟无与伦比的探索之旅，我们将见证黑钻松露，如何从无人知晓的
地底，经历漫长岁月，终被我们寻获，化为我们眼中的璀璨光芒**

The journey which the black diamond truffle goes through, from the depths
of the unknown to the surface of discovery, is truly one of a kind.

**这犹如大自然的炼金术般的诞生之旅，恰如我们自己的生命历程，那些在不
被人看到的时刻，蕴积于内心的力量，驱使着我们，走向光，成为光！**

Greek philosophers theorized that truffles were created by a sort of alchemy
of the Earth. Their unique journey to discovery, in many ways, mirrors our
own passage through life. The inner drive in us all eventually becomes the
light that leads us on the path of creating a life that is truly one of a kind.

FEBRUARY 10 VIDEO SCRIPT

“Caring Is Love” *Rabbit Hole* Video

Nothing says “I love you” like showing that you really care about the person. Organize an in-home workout or yoga session where you can assist and help each other improve. A healthy relationship is a loving relationship. With a **TCL Air Conditioner**, a refreshing and relaxing spa atmosphere can be achieved. Video shows a TCL AC that transports your senses into the ultimate state of relaxation and comfort.

Video Script

Video opens with a relaxing living room view of a couple doing yoga meditation together.

There’s a TCL air conditioner visible in the background.

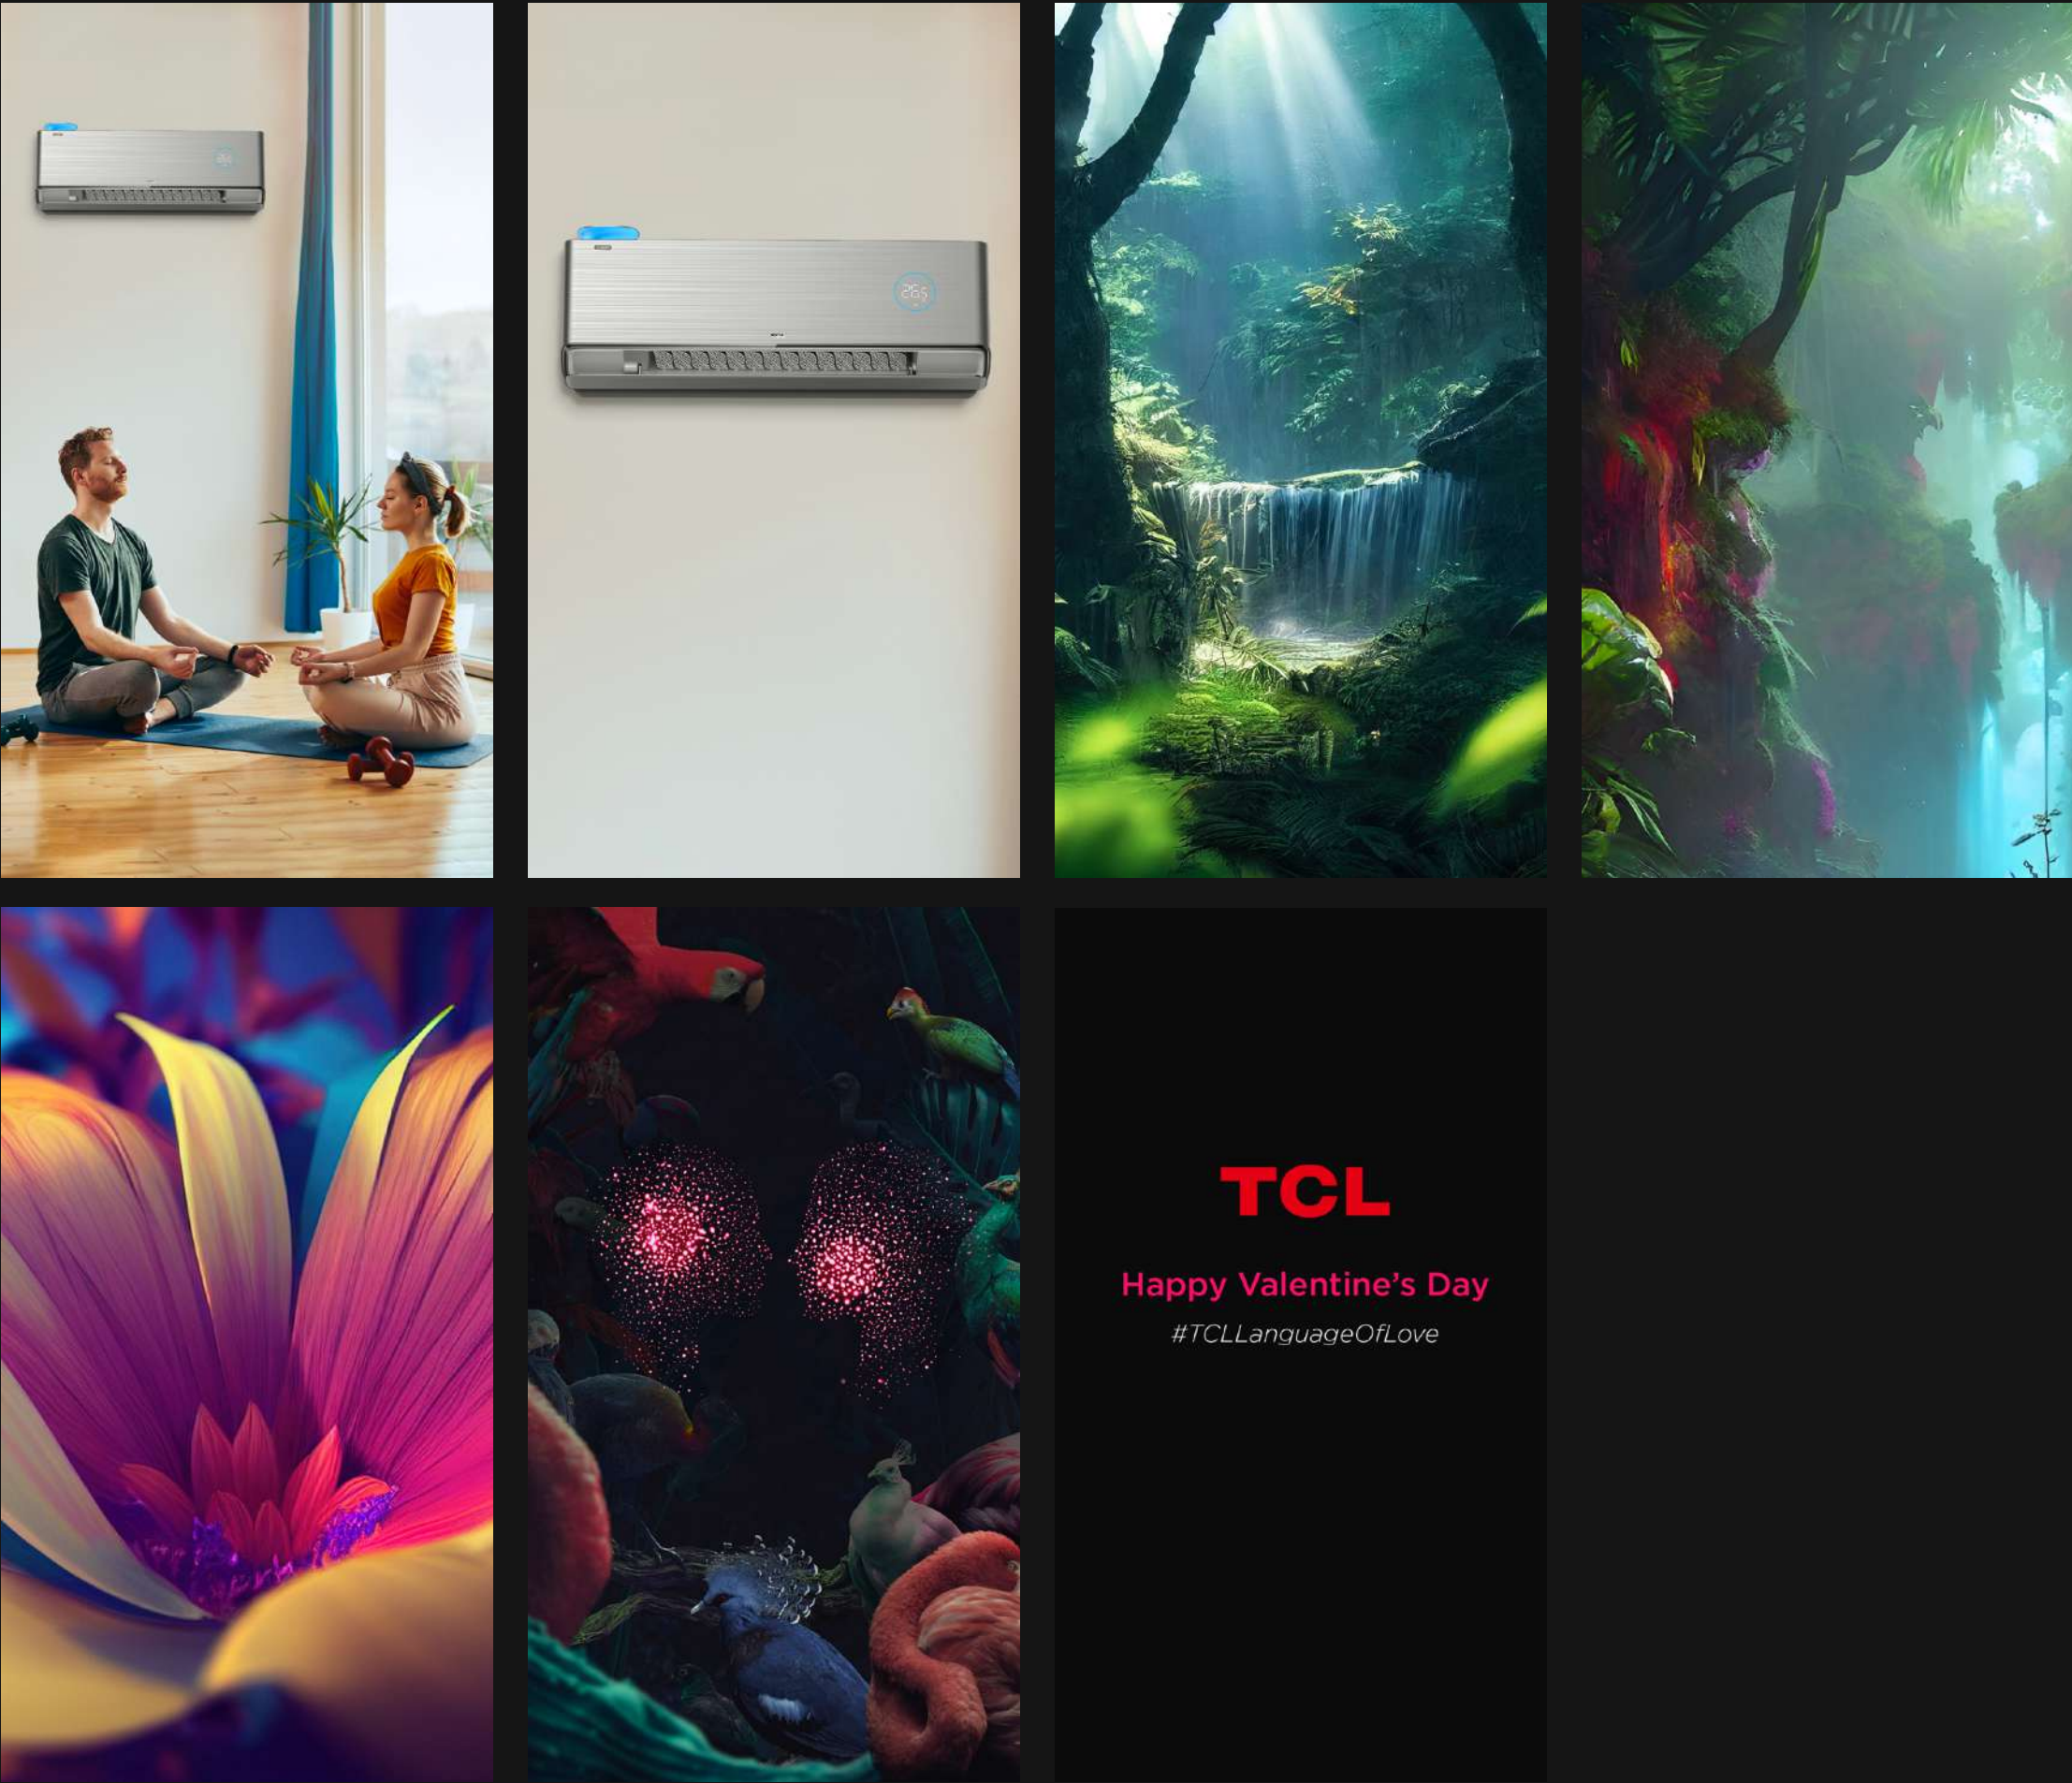

The camera pans closer into the air conditioner and gradually enters through the air ducts.

Inside the air ducts we’re transported into this magnificent rainforest scene.

The camera continues to pan forward, zooms in on one of the leaves in the rainforest, and gradually onto the water droplets on the leaf.

Zooming in on the water droplet we’re transported even deeper into the forest where we see tropical birds and the silhouettes of a man and woman.

The camera continues to pan forward and gradually fades to black with the super and TCL logo:
“Caring Is Love on Valentine’s Day”

Final Video:

FEBRUARY 12 VIDEO SCRIPT

“Love Through Music” *Graphic / Illustrative Video*

We all have favorite songs that we cherish during Valentine’s Day, or songs that define our relationship. We can hear it, but what if we can visualize it as well. Video of graphics and colors that dance to the rhythm from a **TCL Soundbar**.

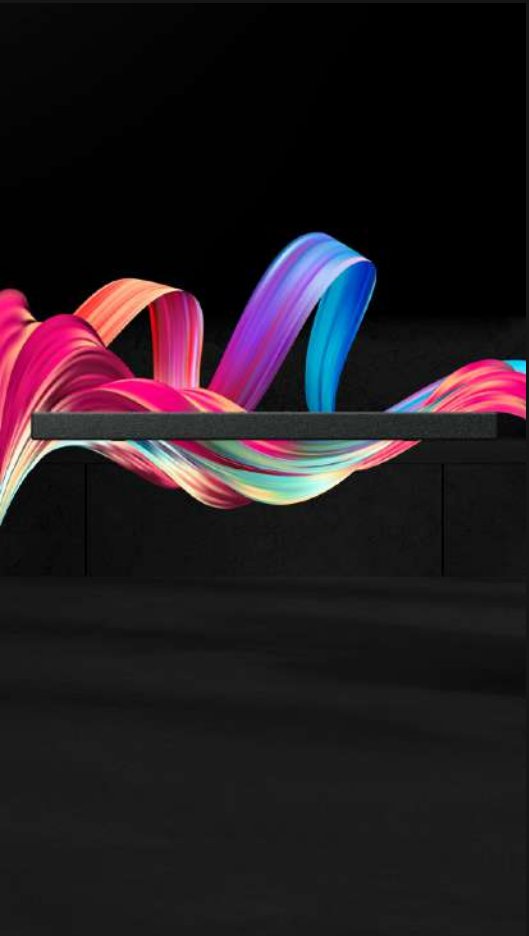

Video Script

Video opens with a living room view of a TCL TV and Soundbar setup.

Camera pans forward, zooms in on the Soundbar and the ambience dims as music is playing.

Graphics and illustrative lines start emanating from the Soundbar, dancing to the rhythm of the music.

This goes on for about 15 seconds until the video gradually fades to black with the super and TCL logo:
“**Love Through Music on Valentine’s Day**”

Final Video:
(<https://www.facebook.com/reel/1371531843607897>)

FEBRUARY 14 VIDEO SCRIPT

“Celebrate Being Together” *Parallax Photo Effect*

It’s officially Valentine’s Day. With a **TCL TV**, celebrate the relationship the two of you covet by displaying vacation photos or other memories you two shared. The extraordinary picture quality allows every memory to come alive right in front of your eyes.

Video Script

Video opens with a living room view of a TCL TV.

Camera pans closer into the TV screen and it turns on.

We see a beautiful photo of a couple on vacation.

They’re at a stunning waterfall view and the parallax effect shows the waterfall come alive like if it was an actual video instead of a still photo.

The next photo that appears on the screen is the couple on a cloud filled mountain. The clouds are moving and gliding across the horizon.

Next photo is a close up shot of the couple hugging. The parallax effect shows them embrace each other.

Next we see a photo of the girlfriend at an aquarium with the fish coming alive, swimming around in the water.

In the final photo, the couple is sitting on the hood of their car watching the sunset. The parallax effect shows the colors of the sky slightly change, while the clouds glide across the horizon.

TV screen fades to black with the super and TCL logo:

“Celebrate Being Together on Valentine’s Day”

CREATIVE TAGLINE

CHOW TAI FOOK

To be able to inspire others to
appreciate the past,
embrace the present,
and create for the future...

is the true **art of being timeless.**

CHOW TAI FOOK

In harmony with Chow Tai Fook's dedication to its **Chinese heritage** and the crafting of jewelry influenced by **China's rich cultural and artistic history**, we aspire to awaken a similar sense of inspiration among our audience, **celebrating this allure of being timeless.**

A young man with dark hair is shown from the chest up, looking upwards and slightly to the right. His hands are raised behind his head, with his fingers interlaced. He is wearing a light-colored, possibly white, shirt. The background is a soft, out-of-focus bokeh of warm, golden-yellow and reddish-orange lights, suggesting an evening setting with city lights or festive decorations. The overall mood is contemplative and hopeful.

CHOW TAI FOOK

The cultural and artistic influences of the **China of today** is vast with **endless possibilities**.
The younger generation seek inspiration
from everything and everywhere.

Along with Chow Tai Fook,
we are **creating a new expression of timelessness**;
one that taps into **the culture of now**,

CONCEPT

修护年轻 争分夺秒

一瓶修护十大年轻维度

争分夺秒，乍听上去非常激进与咄咄逼人。

可我们转念一想：

「敢争，恰恰不正是年轻的底色吗？」

向外说：年轻，才敢去跟世界争个输赢；

向内说：年轻，才会跟上一秒的自己争个高下。

这次我们的目标，在当下的语境传播环境，

为雅诗兰黛争分夺秒修护年轻创造正面的社交意义。

因为小棕瓶，一直用争分夺秒的修护，为年轻赢得胜利。

■ 雅诗兰黛小棕瓶 X 10位代言人

面对时间的10场胜利

淡纹 维稳 匀·亮·细·透·滑·嫩·弹·润·稳·净 弹

待确认年轻维度，摘自高能小棕瓶公关稿

■ 脚本思考

关于时间，我们总有冗长的道理要讲
但偏偏年轻人就是不爱听道理
围绕此次战役的招新任务
我们决定废话不多说，以面对时间的胜利哲学
把修护的10个年轻维度讲明白。
